

NOTICE TO MODIFY LICENCE OF RUWAIS POWER COMPANY

In accordance with Article (99) of Law No (2) of 1998 Concerning the Regulation of the Water and Electricity Sector in the Emirate of Abu Dhabi, as amended, the Regulation and Supervision Bureau for the Water and Electricity Sector in the Emirate of Abu Dhabi (**the Bureau**) hereby gives Notice of its intention to modify the following Licence:

The current Water Desalination and Electricity Generation Licence issued to Ruwais Power Company (**the Licensee**) shall be modified to increase the maximum licensed electricity generation capacity up to 1,511 Megawatts (MW). This Licence modification is proposed pursuant to an application received from the Licensee.

Any representations or objections concerning this proposed Licence modification must be received by the Bureau no later than **24 March 2010**, addressed to:

**Director General
Regulation and Supervision Bureau**
